design Solido Studio

Una collezione di tavoli fissi dall'aspetto monolitico ma al contempo leggero e dinamico ottenuto dalla composizione di due elementi in cemento che si uniscono creando un'unica forma mutevole a seconda del punto di vista. Progetto destinato ad ambienti in cui la funzione non rinuncia all'aspetto emozionale dell'oggetto.

A collection of fixed tables with monolithic but also light and dynamic aspect obtained by the composition of two elements of concrete material joined together to create a single shape that changes according to where you see it. A project thought for environments where function does not give up the emotional aspect of the object.

design Silvia & Maurizio Varsi

L'imponente presenza geometrica della base è il perfetto teatro per la leggerezza del piano, il risultato, una perfetta armonia di forme.

The magnificent geometry of the base is the right stage for the top's lightness, the result is a consistent balance of shapes.

VERSUS

design Carlo Bimbi

La tradizione incontra la modernità, il dettaglio artigianale della gamba in legno, il sinuoso telaio in acciaio rendono il tavolo un vero "instant classic".

Tradition meeting up with modernity, the craftsmanship detail featuring the wooden leg, the sinuous steel frame make this table a real "instant classic".

MATRIX

design Daniele Molteni

Matrix è il design che si racconta attraverso la materia. Il profilato di acciaio sagomato è la struttura portante che, come una trave a vista, sostiene il piano realizzato con pregiati materiali.

Matrix is the design that express itself through the material. The shaped metal girder is the structure which, as an exposed beam, supports the top, made of precious materials.

TOM

design R&D Bontempi Casa

Small, medium, large, extra-large. La semplicità del design cela la magia della funzionalità al suo interno. Tom è il tavolo trasformista che ottimizza l'uso dello spazio. Grazie ad un sistema di allunga a tre moduli, si estende a seconda delle esigenze, fino a superare i tre metri di lunghezza. Il fascino è nella praticità, l'incantesimo nella trasformazione, la meraviglia nella possibilità di condividere i propri spazi, anche i più piccoli, con le persone care.

Small, medium, large, extra-large. The simplicity of its design conceals a functionality charm. Tom is a quick-change artist, a table capable of optimizing the use of space. Thanks to a three-extensions system, it can be extended according to the needs, up to more than three meters. Fascination is practicality, magic is transformation, wonder is the chance of sharing our space, even the smallest one, with the loved ones.
